told several callers within the last week that he had practically made up his mind as to the length of time he would wait for Germany's reply. Despite his command for "immediate" action the President has emphasized his desire to

Germany will have had eighteen days consideration of the President's denand when the anniversary of the Lusidications that the President considers this

ample time.

Members of the President's Cabinet have also hinted at the fact that the President's mind was made up as to when he believed further delay in meeting his demand would not be endured. In reply to the direct question as to that date one Cabinet member signifi-cantly commented on the fact that the President's message to Congress was de livered on April 19—the anniversary of the battle of Lexington.

It is, of course, expected that Germany will reply to the President's note some time this week, but there are further vague reports of delay and these have focussed attention on the course that the Berlin is deliberately evading the issue

RAID AT ATLANTIC CITY District Attorney Causes Stampede

in Tenderloin District.

ATLANTIC CITY, N. J., April 30.—
Going over the heads of the city authorities, District Attorney Charles S. Moore early this morning raided houses in the tenderloin district, causing a stampede among "guests," who escaped through rear doors and over back fences. The keepers of the houses were arraigned before County Judge Shinn at 6 o'clock this morning and held under \$2,000 bail each for further hearing on charges of selling liquor without licenses and operating disorderly houses.

This is the first step toward clearing out the red light district. Thirty-two warrants in all have been issued against persons in this district.
